3) Sanction of Govt is required
for the disposal of the site, free
of cost and see 3 & 2 of the
Mysore Townships Act, whatever
its value might be

c) The proposal under consideration gives added importance on the point that the series of Sir Mr Rindani are proposed to be recognized by this point. It is stated that he was the vice-president of Indian RFF for over 15 years. Hence it is proposed to be given full of credit to him.

1) The question also raises an important principle viz. how far spontaneous long services of Presidents, necessarily at members of RFFs may be rewarded by such grants - either in cash or kind or land grant - it may not be quite desirable to approve such recommendations as it is likely to be followed by similar requests from other RFFs. It would be best to discourage it in this case, if necessary Sir Rindani may be given the site or an upset price in a special case. The amount involved is also very small & he can easily afford to pay.

See M V Andracak seems to have served
as honorary vice president for 15 years, in
Malur ml. She ml. probably wants to honor him
by giving this site free of cost. This is an exceptional
case which may not arise in other ml's. Hence
the recommendation of the D C Kolar is approved
